# HL-2040

You won't get a sharper print job than with Brother's HL-2040, the most stylish and compact monochrome laser printer for the modern home and office.

## Small is Powerful

The HL-2040 is beautifully designed to take up minimum amount of space. But, don't be fooled by the compact exterior. HL-2040 houses all the features you would expect from a high quality laser printer!

It has impressive print speeds of up to 20ppm, high resolution of 2,400 x 600dpi, and comes with a paper tray that holds up to 250 sheets!

## Works with Anything

This printer is fully compatible with both Apple and PC formats, and supports a wide range of Windows programs. The USB and

parallel ports facilitate connection to both a desktop and a laptop. Furthermore, an optional network connectivity allows the printer to be accessed by more than one user.

## Save Money, Save the Environment

The Brother HL-2040 also comes complete with a separate toner cartridge and drum that will print up to 2,500 and 12,000 sheets respectively – a saving that any user will appreciate.

- Stylish and compact design
- Quality laser print
- Easy-to-use
- Separate toner & drum technology

## Specifications

Engine		
Technology		Electrophotographic
Print Speed		Up to 20ppm
